THE control of the Silver King mine

by the Bonanza crowd means better times for mining men in Arizona. They can not invest their cash too rapidly to suit the progressive Arizonan.

THE latest news on the part of the State makers is to purchase a portion of Sonors, and with the present Territory of Arizona admit the whole as a new State. This is the best idea which has yet struck the fertile brain of an Arizona statesman and will be received with much favor.

THE rich discoveries of the past week in Tombstone district and vicinity have been the means of inducing many miners to go to work; and never before in the history of the recent years has so much work been going on in this district as at the present time. It does look as though an era of prosperity had at last settled down on the old camp, and that those who have stood by the ship when she was on the verge of foundering were to receive their reward for their faith in the fickle god-
